Thursday, March 26

Francis M. Mondimore, M.D.

**“From Manic Depression to Bipolar NOS:
100 Years of Mood Disorders”**

Professor of Psychiatry,
Johns Hopkins University

Author:

- *Bipolar Disorder: A Guide for Patients and Families*
- *Adolescent Depression: A Guide for Parents*
- *Depression, the Mood Disease*
- *A Natural History of Homosexuality*

Book Sale and Signing: 6:30 to 7:25 PM

Thursday, April 30

David Lovelace Discusses His Book:

Scattershot: A Memoir of My Bipolar Family

www.davidlovelace.info

From Publisher's Weekly: Scattershot is Lovelace's poignant, humorous, and vivid account of the disease's effects on his family, and his gripping exploits as he spent his life running from—and finally learning to embrace—the madness encoded on his genes.

Book Sale and Signing: 6:30 to 7:25 PM

Dr. Mondimore and Mr. Lovelace are both recipients of the Ken Book Award presented annually by NAMI NYC for “outstanding books which have substantially contributed to the public's awareness and better understanding of mental illness.”

About DBSA

DBSA is the country's largest patient run mental health advocacy organization. Our mission is to improve the lives of people with mood disorders and their families through education, support and advocacy. Chapter programs are conducted by volunteers who are devoted to fulfilling this mission. Join our e-list: hello@dbsanca.org
Visit www.DBSAAlliance.org for a directory of our 1000 support groups meeting across the country.
